

This homework will not be graded and it will not count as one of the graded assignments. Completion, however, is mandatory. Please email your answers to me directly—heeringa@cs.williams.edu—do not send an attachment. Take care to be clear and concise.

- Why are you taking CS 135?
- Have you ever programmed before? When? In what language?
- Have you taken any mathematics courses at Williams? If so, which ones?
- Do you have any questions for me? If so, what are they?
- I am reading *Middlesex* by Jeffrey Eugenides, listening to *The War on Drugs* and watching *Transparent*. Do you have any book, music, or television recommendations for me?
